The owner/skipper is entirely responsible for their own, the crew's and the yacht's safety, whether afloat or ashore, and nothing, whether in the Notice of Race or Sailing Instructions or anywhere else, reduces this responsibility.

The owner/skipper of the yacht is also responsible to ensure that the yacht is equipped and seaworthy so as to be able to face extremes of weather

It is for the owner/skipper to decide whether the yacht is fit to sail in the conditions in which it will find itself. By going to sea, the owner skipper confirms that the yacht is fit for those conditions and the crew is competent to sail and compete in them.

The owner/skipper is required to ensure that the yacht has adequate insurance and in particular to hold insurance against third party and passenger claims in the sum of at least £2,000,000.

Nothing done, or failed to be done, by the organizers can reduce the responsibility of the owner/skipper, nor will it make the organizers responsible for any loss, damage, death or personal injury, however it may have occurred, as a result of the yacht taking part in the racing.
